### Field-grown Roses

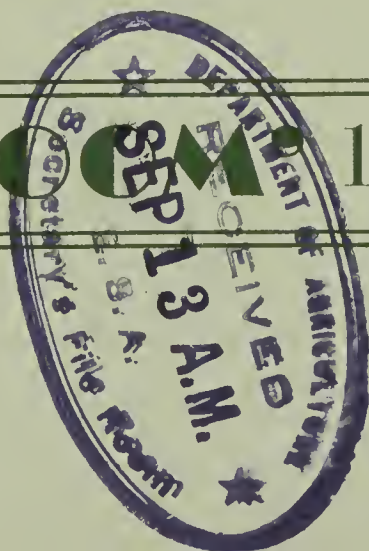

All plants offered in this list are top grade, two year old plants, grown in Northern Ohio where climatic conditions are so favorable for proper ripening of the Plants. Budded on Multiflora Japonica with fine root system. They are guaranteed to grow and bloom the first growing season after planting.

THIS LIST IS SUPPLEMENTARY TO OUR 1938 ILLUSTRATED "LITTLE ROSE BOOK." IF YOU HAVE NOT RECEIVED THIS ILLUSTRATED BOOKLET GIVING DETAILED DESCRIPTIONS OF VARIETIES WE WILL GLADLY MAIL YOU A COPY UPON REQUEST.

You will find a slight change of price on a few varieties in this list from those listed in our "Little Rose Book." Please be guided by the prices listed here.

Buying Roses is a matter of confidence. Buy from a reliable grower. KLYN'S Roses will give best satisfaction. If you have not tried them, do so now for your own conviction.

## DO NOT MISS "STERLING"

The forgotten Rose. Now praised by all. It made headlines on its merits. The only Rose in the "Proof of the Pudding" without any condemnation. If you don't buy it now, you will want it later. Very prolific bloomer. Marvelous color and form. Disease resistant. Fine for cutting. Strong grower. All you can expect from a Rose.
